

Dear Sir/Madam,

Punjab Energy Development Agency (PEDA) is organizing a One-Day Training Program on **Envelope Optimisation** for ECBC-2017 (Energy Conservation Building Code-2017) and ENS (ECO-NIWAS SAMHITA-2018). The ECBC-2017 code is to provide minimum requirements for the energy efficient design & construction of buildings and is applicable on buildings or complexes that have a connected load of 100 kW or greater or a contract demand of 120 kVA or greater. The ENS-2018 Code is applicable to all residential buildings and Residential parts of 'Mixed land-use building projects', both built on a plot area of ≥ 500 m².

Punjab Energy Development Agency (PEDA) being the State Designated Agency for implementation of the EC Act 2001 in the state, is facilitating the departments / organizations / agencies / other stakeholders by organizing capacity building training programs and conducting interactive sessions through ECBC/ENS Cell established in PEDA office, Chandigarh. In this concern, ECBC/ENS Cell team is looking to conduct a One-day physical training program at **I.K. Gujral Punjab Technical University, Hoshiarpur** on **Envelope Optimisation** for the Implementation of ECBC & ENS on 15th February 2023 as per schedule enclosed. It is requested to kindly nominate the concerned officials to attend the training program.

We kindly request you to revert us with the name of the officials joining the training program.

For any queries, please contact Er. Sundram Rituraj, ECBC/ENS Cell Coordinator at +91-9716967018 or email: ecbcpunjab@gmail.com .

Thank you.

Best Regards,

Sundram Rituraj
Building Cell Coordinator,
PEDA Office, Chandigarh
